## COMMENTS FROM THE TOWN MANAGER'S OFFICE

There have been several corrections made in tax bills due to errors in the original assessment work. There also have been some taxpayers in to check on just what they are paying taxes on and the value of these items. Most of the ones checking their list are the ones who are being taxed for the first time for a piece of property. It seems as though there are more checking their list this year than last. Of course everyone is welcome to come to the office to find out exactly what they are paying taxes on.

The highway crew has been working on several different jobs this past week. A plugged sewer line from the Crescent Park School had to be dug up and unplugged. A manhole is now being built to be used in the event that the line should become plugged again in the future.

Some repair work has been done on some of the trucks. Most of the work has been done on the Chevrolet Coleman to get it ready for another winter. Some of the leaves were picked up along the Main Street, and if time permits more of them will be taken care of.

The woods have been closed in two neighboring states and the condition is very dangerous in this area. Extreme caution should be taken by everyone to insure that a wasteful fire isn't started around here.

Michael Houlihan

Mr. and Mrs. Albert Johnson, Andy and Kathy, Bailey's Island, were recent visitors of Mr. and Mrs. Randall Stevens.

The Bethel fire department was called Monday afternoon to extinguish a grass and bush fire at the foot of Mill Hill.

Mrs. Harold Rolfe and Mrs. Irving Brown attended a meeting of the Cosmopolitan Club in Dixfield Sunday evening.

CPO Stuart Hutchins and family, Kingsfield, Texas, were guests over the week end of his brother and family, Mr. and Mrs. James Hutchins.

On Thursday evening the members of Bethel Lodge No. 97 A. F. and A. M. honored the members of their lodge who had been members of this lodge for forty years or more.

District Deputy Grand Master Raymond Wood of Fryeburg was present to present the awards. Mr. Wood spoke to the honored guests about their contribution to the history of Freemasonry. Mr. Wood expressed his sincere desire to be present when the honored guests would receive their fifty-year medals.

Those honored were: Gard Bennett, Thomas Brown, Albert Grover, John Harrington, Claude Linnell, Lucian Littlehale, Edmund Smith, Philip Smith, Eric Stowe, Edward Warren, Wesley Wheeler, Ralph Young, Elmer Bean and Lloyd Luxton.

The ladies of the Eastern Star provided a very delicious pot roast of beef supper preceding the meeting.

## GOV. REED BANS FIRES IN SO. MAINE WOODLANDS

Gov. John Reed banned smoking and outdoor fires in woodland areas of the southern end of Maine Wednesday as a safeguard against the danger of forest fires.

The ban is on smoking and outdoor fires only. It does not affect hunting or other travel in the woods. The use of camp stoves in the woods is prohibited in the area, however, since these are regarded as outdoor fires.

The ban applies to about 10 per cent of Maine's land area, south of a line drawn along major highways from Fryeburg through Norway, Lewiston and Augusta to Rockport. These are U. S. Route 302 from Fryeburg to Bridgton, Route 117 to Norway, Route 26 to Welchville, Route 11 to Lewiston, U. S. Route 202 to Augusta and Route 17 to Rockport.

North of that line fire danger is considered relatively low, the governor said, although caution with fires and smokes is advised throughout the state.

## EVANGELIST TO APPEAR AT CHURCH OF THE OPEN BIBLE, OCT. 21

Jack Wyrzten, described as America's foremost evangelist to youth and director of the Word of Life Fellowship, New York City, will be the featured speaker at The Church of the Open Bible, Bethel, on Monday night at 7:30 p. m.

For 21 years Mr. Wyrzten has directed the Word of Life activities, conducting old-fashioned, but popular, gospel meetings with American young people. Formerly a high school dance band leader and New York insurance man, the visiting speaker experienced a conversion in the 1930's that resulted in a complete change in his life, later shared by neighborhood friends, some of whom were bordering on delinquency. Soon they were studying the Bible after work and traveling to hospitals, jails and military establishments with their testimonies and gospels of John.

Jack Wyrzten

Out of this little youth revolution, thousands of recruits emerged for the Bible Institutes, seminaries and places for professional training of dedicated Christian youth. Coast-to-coast broadcasts from Times Square rallies expanded into some of the greatest Christian mass rallies in history at the Carnegie Hall, St. Nicholas Arena, Madison Square Garden, and the Yankee Stadium. Mr. Wyrzten can be heard on Channel 13 TV at 9 a. m. Sunday mornings. Word of Life is also broadcast on station WYAC at 7:30 Saturday night.

Mr. Wyrzten will be accompanied by the Word of Life quartet, a group of young men singers who are under appointment with The Bible Christian Union.

## BETHEL PTA HOLDS YEAR'S FIRST MEETING

The first fall meeting of the Bethel PTA was held Tuesday evening at the Crescent Park School with President John Tebbets presiding and approximately 80 members present. The treasurer's report showed a current balance of \$441.14 after the recent membership drive.

Sonny and Phyllis Blake, and Jim and Polly Browne were announced as chairmen of the Crescent Park Halloween party this year, and all parents are urged to give as much of their time and ideas as called upon in order to make the party fun and orderly. Both third grade classes will participate in the GP party this year. The usual sum of \$75 was appropriated from the PTA funds for refreshment etc.

President Tebbets called upon teachers and parents alike to jot down questions they would like to have discussed during future meetings, and hand these upon leaving to members of the hospitality committee.

Looking for the possibilities of a big money raiser for the schools this season, PTA is considering sponsoring a fund-raising hootenanny, probably sometime in February. Jim and Pat Hudson have been appointed chairmen of the project, and will welcome all the help they can get from the townspeople, whether active in PTA or not.

Judy Haskell gave a report on the PTA membership drive, listing 254 active and 194 inactive members so far this year. She also recommended that next year's committee be chosen in the spring in order to have an earlier campaign and possibly gain additional members.

A motion was passed to grant a limit of \$50 from PTA funds for delegates to attend the PTA State Convention to be held this week end in Waterville.

The meeting was then turned over to Charles Heino who introduced Superintendent of Schools Hamilton Bailey. Mr. Bailey welcomed the group and commented on the fine quality of teachers in the Bethel schools.

Mrs. Elizabeth Lord and John Desjardins of

Mr. &amp; Mrs. Raymond A. Brown

**BROWN - BUTTERFIELD**

St. Catherine's Church, Norway, was the scene of a lovely summer wedding on Saturday morning, Aug. 24, when Miss Blending Mabel Butterfield, daughter of Mr. and Mrs. Paul Butterfield of Monmouth, became the bride of Raymond Arthur Brown, son of Mr. and Mrs. Vernon Brown of Norway, and grandson of Mr. and Mrs. John Deegan of Bethel.

The Rev. J. Francis Brady performed the double ring ceremony for which traditional wedding music was provided by Mrs. Helen Whitten at the organ and Miss Pamela Duchette as vocal soloist.

Baskets of white gladioli, chrysanthemums and carnations decorated the church and the pews were marked with white satin bows.

The bride who was escorted to the altar on the arm of her father, wore a traditional white floor-length gown of Chantilly-type lace with a fitted bodice accented by a scalloped sabrina neckline, and long sleeves ending in bridal points. The full-tied skirt embellished with sequins supported the full-sweep chapel train. Her four-tiered elbow-veil of imported English illusion was supported by a dainty high pearl and crystal crown.

She carried a heart shaped bridal bouquet of white poms and carnations centered with red roses accented by flowing satin streamers tipped with red rosebuds.

Attending the bride as matron of honor was Miss Lucille Bell of Lewiston, college classmate of the bride, who wore an orchid gown of chiffon over taffeta, fashioned with scoop neckline three-quarter length sleeves, and a semi-full skirt accented by bows down the front. She wore a matching picture hat and carried a colonial bouquet of carnations and ribbons to match her gown.

Serving as bridesmaids were Miss Joan Webber of Portland, college roommate of the bride, and Miss Peggy Ann Brown of Norway, sister of the groom. Their gowns were identical to that of the matron of honor in light green and yellow. They also carried Colonial bouquets of carnations and ribbons to match their gowns, and matching picture hats.

The flower girl was Miss Cecilia Smith of Mt. Vernon, cousin of the bride, who wore a floor-length gown of white tulle lace with a pearl crown supporting her veil. She carried a dainty basket of rosebuds, which she scattered on the white carpet in the path of the bride.

The bridegroom was attended by a college classmate, Placid Gagnon, Jr., of Brunswick. Ushers were Donald Butterfield of Monmouth, brother of the bride, and Stephen Hill of Norway, classmate of the groom.

Master Sidney Smith of Mt. Vernon, cousin of the bride, was ringbearer. He carried a white satin pillow to which the rings were attached.

## GOULD ACADEMY

Bingham Hall Lecture

On Friday, Oct. 18, at 8:00 a. m., Headmaster Edmond J. Vachon, will present an illustrated lecture on Holland in Bingham Hall. Anyone wishing to attend is welcome.

Gould Downed 18-0

Mexico High looked sharp in handing Gould Academy its first loss of the season. Poor blocking on offense and inability to stop the passing attack proved the greatest factors in Gould's defeat. Greg Gallant, Pinto quarterback, connected for numerous passes, three of which were touchdown plays. The Huskies were unable to present a threat at any time. Weakened by injuries, the Gould eleven couldn't seem to get rolling, while the "hepped-up" winners were playing their best game of the season.

In each participating school: The lunch program is operated on a nonprofit basis.
